

Po Lam  
Meditation Vihara  
**INTERIOR  
FINISHING  
FUNDRAISER**

( For Canada and the US )

Thank you for your continued support of the redevelopment of the Po Lam Meditation Vihara. The first phase has been successful, and now we unveil the second phase, "Po Lam Meditation Vihara Interior Finishing Fundraiser." With this initiative, you will have the opportunity to support the finishing of the project. From a bowl in the dining hall, to sound-proof curtains in the Dhamma Hall, all the necessary furnishing and equipment is required to make this a place conducive for spiritual cultivation. Your kindness and generosity will spread to every corner of the Vihara, watering the seeds of Dhamma in the west so that all beings can walk the path leading to true freedom.

The interior regions are divided into 8 general regions. There are many ways to contribute, and the details are outlined below.
